

LUBE SKIDS

REDUCE DOWNTIME WITH **ONSITE LUBE SERVICE**

Stellar® LubeMate® Lube Skids
Maximize Efficiency

QUICK INSTALLATION

Stellar Lube Skids are engineered for easy installation on mechanic trucks, service trucks and vans to increase your field service capabilities. All units come complete with hardware to mount and plumb. They work with air compressors, and they include a quick coupler for easy setup. You can also outfit your lube skid with reel cabinets, drip pans, grease kits and more. The poly lube skid unit adds still more custom configuration opportunities for handling additional preventive maintenance duties onsite.

LIGHTEN YOUR LOAD

Most Stellar Lube Skids are available with aluminum construction that's more than 30% lighter than the steel units, giving you added payload and superior corrosion resistance.
